MEDAMA GROUT COLORANT

Medama Grout Colorant has:

- ◆ Several basic colors to choose from
- ◆ Polyurethane based color
- ◆ Does not amber over time
- ◆ Will not be spongy (dries hard, easy cleaning)
- ◆ Very low odor (no pine oil, no fragrances added)
- ◆ Easy application (no need to tediously brush each grout line)
- ◆ Excellent adhesion to existing clean grout lines
- ◆ High hide color (less product/cost needed to color grout lines)
- ◆ Lower viscosity (but resists pooling and running)
- ◆ Fast dry - Apply, dry 45 minutes, float the high spots, clean the edges and finish
- ◆ Quick turn-time to apply finish (can quickly be applied over the colored grout)
